

# Kuznetsov Artem resume

---

**Name:** Artem KUZNETSOV  
**Date of Birth:** September 13, 1973, age 32  
**Marital status:** single  
**Experience:** 12 years of computer research, gui design and programming  
**Languages:** Russian, Spoken English: fluently, Technical English: good  
**Contact:** [kouznetsov\\_artem@mail.ru](mailto:kouznetsov_artem@mail.ru), +7(903) 279-90-04

---

## Skills:

### Summary

I have 8 years experience in user-interface design and 5 years experience in web development. I can work independently as well as collaborate with others on larger projects.

---

### GUI Development

User Interface Design – 8 years  
Comprehensive knowledge of usability issues  
Identifying user requirements, use cases, task flow for new product functionality, brainstorming, paper prototyping of program GUI, produce interactive product interface prototypes, writing GUI standards (programmers style guide), consistency enforcement across all products and feature additions  
Product Specification, design and prototyping  
Usability researches and tests

### HTML Development & Production Skills

HTML / DHTML - 5 years experience (hand coding)  
CSS – 4 years experience  
JavaScript – 5 years experience

### Web Development & Production Abilities

Extensive understanding of W3C standards compliance  
Extensive experience in designing/developing web front-ends  
Ability to work to tight deadlines  
Broad range of technical web knowledge  
14+ years familiarity with computer software & hardware

### Tools

MS Visio 2003, Adobe Acrobat 7.0, Adobe Photoshop 7, MS Project 2003, Microsoft Office 2003

## Experience

- 2005**                    **Acronis Inc**, Moscow, (<http://www.acronis.com>)  
**GUI designer, usability expert.**  
Development of graphical user's interface for company products, usability researches.  
**Developing tools:** MS Visio 2003, Photoshop 7.0, Adobe Acrobat 7.0, MS Project 2003
- 2004 - 2005**            **Wildbit LCC**, Philadelphia, (<http://www.wildbit.com>)  
**Interaction designer, usability engineer.**  
Interaction design for company projects, usability researches.  
**Developing tools:** Photoshop 7.0, MS Visio 2003, Adobe Acrobat 6.0
- 2003 - 2005**            **Stocona Ltd**, Moscow, (<http://www.stocona.ru>)  
**GUI designer.**  
Development of graphical user's interface for company projects, usability researches.  
**Developing tools:** Corel Draw 11, XaraX 1.0, Photoshop 7.0, MS Visio 2003, Visual C++ 7.01, C++ Builder 6.0
- 2002 - 2003**            **Alpa Consultants Ltd**, Limassol, Cyprus,  
**International Development Manager, GUI designer/developer.**  
Development and management of financial consulting programs. Development of graphical user's interface for company projects.  
**Developing tools:** VBA, ASP, COM+, MS-SQL, HTML, DHTML, Microsoft Exchange 2000, MS Visio 2000, MS Project 2000
- 2001 - 2002**            **Francoudi & Stephanou Ltd**, Limassol, Cyprus,  
**GUI designer, Project Manager.**  
Creation and maintenance of web-sites covering various fields of operations, such as on-line shops, e-commerce, online news, corporate, land development and more.

**Developing tools:** JavaScript, VBScript, ASP, COM+, MS-SQL, HTML, DHTML, Microsoft Exchange 2000, MS Visio 2000, MS Project 2000
- 1999 - 2001**            **Bank "Kazansky"**, Kazan,  
**Leading Programmer, GUI designer.**  
Development of graphical user's interface for bank system program.  
**Developing tools:** Photoshop, Visual C++ 6.0, MS-SQL 7.0, COM, Microsoft Exchange 2000

<...>

## Education

- 2003 -2004**                    **GASIS** (The State Academy of Professional Retraining and Improvement of Professional Skill of Executives and Experts of Investment Sphere), Moscow, **Sociology and Psychology Courses**, the Diploma and the Certificate
- 2001 Jan - May**                Certificate of English Learning Courses,  
**Francoudi & Stephanou Ltd**, Limassol
- 1998 Apr - July**                Certificate of **Design Courses** N 02/M/48, Interactive System "Handicap",  
**Designers Union of Republic Tatarstan**.  
Disciplines:
  - Ergonomics
  - Composition
  - Study of Materials
  - Public relation and other.
- 1996 Jan - March**              Certificate of International Distance Learning Course,  
**Decision Support Systems**,  
**California State University**, Los Angeles
- 1990 - 1995**                    **M.Sc in computing mathematics and cybernetics**,  
**Kazan State University**.  
10 semesters of graduate and undergraduate study in Computational Mathematics and Cybernetics, 30 hours per week. Mathematical Analysis, Distributed Databases and other.

## Projects

2005 - 2006

### **Acronis Ltd**

Development of graphical users interfaces for company products. Identifying user requirements, use cases, task flow for new product functionality, brainstorming, paper prototyping of program GUI, produce interactive product interface prototypes, writing GUI standards, consistency enforcement across all products and feature additions, optimization and tests, etc. I was fully involved into developing process from preparing requirements specification through writing technical documentation.

2004

### **Wildbit LCC**

Interaction design for company projects:

<http://www.GoPhila.com> – homepage redesign.

<http://www.port25.com> – redesign of mail server software “PowerMTA by Port25”

NewsBerry OnLine Project – conceptual design and interaction design.

<http://www.32lounge.com> – interaction design

2003 – 2004

### **Stocona Ltd**

Development of graphical users interfaces for company projects:

Identifying user requirements, use cases, task flow for new product functionality, brainstorming, paper prototyping of program GUI, produce interactive product interface prototypes (with C++ and Visual Studio 7.1), writing GUI standards, consistency enforcement across all products and feature additions, produce all graphics: forms, icons, buttons, etc, optimization and tests, programming, etc.

I was fully involved into developing process from preparing requirements specification through writing technical documentation.

2002 – 2003

### **Alpa Consultants Ltd,**

Development of graphical users interfaces for company projects:

Identifying user requirements, use cases, task flow for new product functionality, brainstorming, paper prototyping of program GUI, produce interactive product interface prototypes (with VBA), optimization and tests, programming, etc.

I was fully involved into developing process from preparing requirements specification through writing technical documentation.

2001 – 2002

### **Francoudi & Stephanou Ltd**

Creation and maintenance of web-sites of different types.

Competitors analysis, brainstorming, produce web interfaces and prototypes, prepare tests.

I was fully involved into the developing process from conceptual design through deployment and maintenance of projects.
